

Strategic Alliances

How GRC Teams Can
Empower Offensive
Security Efforts

Darryl MacLeod

vCISO | Lares

- **Advisory Services @ Lares**
- **Former QSA @ Trustwave, Bell**
- **Former Compliance Auditor @ Tenable**
- **Former Infosec Manager @ Securicity**
- **Conference Organizer @ AtlSecCon**
- **Canadian @ Nova Scotia**

AGENDA

- **Exploring The Roles**
- **GRC's Potential in Offensive Security**
- **Risk-Aware Strategies for Offensive Security**
- **Compliance and Policy Alignment**
- **Resource Optimization for GRC and OffSec**
- **Enhancing Communication and Collaboration**
- **Practical Steps for Integration**
- **Conclusion**

Exploring the Roles: OffSec

Exploring the Roles: GRC

GRC's Potential in OffSec

- Legal Landscapes
- Compliance Alignment
- Risk Insights
- Framework Utilization
- Policy Driven Testing
- Joint Security Initiatives

GRC's Potential in OffSec

- **Feedback Loops**
- **Skill Sharing**
- **Data Driven Decisions**
- **Enhanced Threat Modeling**
- **Proactive and Compliant Defense**

Risk-Aware Strategies for OffSec

- Risk Identification
- Risk Assessment
- Risk Mitigation
- Regulatory Compliance
- Risk Management Integration
- Enhancing Risk Planning
- Training and Awareness

Compliance and Policy Alignment

- **Understanding Regulations**
- **Design and Implementation**
- **Documentation and Reporting**
- **Risk Analysis**
- **Collaboration with Legal and IT Teams**
- **Audit and Oversight**

Resource Optimization: GRC

- **Comprehensive Risk Evaluations**
- **Aligning with Compliance Requirements**
- **Integration with Business Objectives**
- **Optimizing Offensive Security Initiatives**
- **Reporting and Improvement**

Resource Optimization: OffSec

- Targeted Security Measures
- Optimized Testing Schedules
- Monitoring for Changes
- Feedback Loops
- Maintaining Documentation
- Reporting to Stakeholders

Enhancing Communication and Collaboration

- Risk Management Integration
- Bridging Skill Gaps
- Feedback and Adaptation
- Documentation and Policy Development

Enhancing Communication and Collaboration

- **Knowledge Sharing**
- **Aligning Security with Business**
- **Unified Security Posture**
- **Leadership and Culture**

Practical Steps for Integration

- **Joint Goals Setting**
- **Communication and Collaboration Framework**
- **Shared Processes and Tools**
- **Training and Cross-Education**
- **Feedback and Continuous Improvement**

Conclusion

- **Holistic Risk Management**
- **Improved Compliance**
- **Enhanced Security Policies**
- **Continuous Improvement**
- **Unified Security Strategy**
- **Incident Response**

Thanks!
